### 2018 Goat Regulations

#### Pennsylvania Goats:

1. Individual official animal identification is required for all goats. Official ID includes:
  - A USDA ear tag with a US shield ; or
  - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (only for herds enrolled in the USDA Voluntary Scrapie Herd Certification Program); or
  - A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible.
2. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2018.
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.

#### Out of State Goats:

1. Federal regulations (USDA) require a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation.
2. Vesicular Stomatitis (VS) statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Individual official animal identification is required for all goats. Official ID includes:
  - A USDA ear tag with a US shield ; or
  - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (only for herds enrolled in the USDA Voluntary Scrapie Herd Certification Program); or
  - A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible.

5. Tuberculosis testing requirements:

- No test is required for animals originating from states or zones designated as accredited-free by USDA.
- All animals originating from states or zones designated modified accredited advanced by the USDA must be test negative within the 60 days prior to the date of importation. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original report is acceptable).
- All animals originating from states or zones designated modified accredited must originate from herds in which all animals 12 months of age and older have tested negative within the 12 months prior to the date of importation; and the individual animals (all ages) to be imported have also tested negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test was completed. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report ( a copy original test report is acceptable).

6. All out of state goats must meet all criteria listed above as “requirements”.
