

2017 Fayette County Fair

STOCK SEMI PULLING RULES

Saturday, July 29, 2017 – 6:30 PM

GENERAL RULES:

ENTRY FEE: \$20.00

REGISTRATION: 3:00 – 5:30 PM ONLY

PIT FEE: \$20.00 (includes entire fair, rides & pit admission)

- This class is open to semi trucks that are used on the highway. If your truck meets all rules -- you may participate. However 'road ready' special trucks such as oil trucks, tri-axles and others that carry extra ballast are not permitted in this class and trucks with highway legal modifications must enter in the Heavy Hauler class,
- Entry fee is \$20.00. To enter you go to the registration desk, present a valid CDL, a current insurance card, and a non-expired owner's registration.
- A license plate that matches your registration must be attached to the truck and current inspection sticker must be displayed.
- One vehicle may be entered only one time with only one driver. The driver entered is the person that must drive the vehicle in the contest.
- Hitching device will be provided by the fair. Puller is responsible for mounting a fifth wheel hitching device on their vehicle; make sure hitches are set and attached properly.
- No studded tires, tire chains or any tire not specifically intended for street use are permitted. Tires must carry a D.O.T. number on the sidewall.
- Trucks will not be weighed. However, **NO** additional ballast or weight may be added.
- Chaining or blocking of drive axles is **NOT** permitted.
- Only a single turbo-charger is permitted and no ether, alcohol, water or nitrous or any other combustible material may be injected into the air charger or the intake system.
EXCEPTION: A factory installed twin turbo system is allowed.
- Only the fuel that was originally intended for that motor is permitted.

OPERATION OF CONTEST RULES:

- Drivers must wear a seat belt and enclosed footwear.
- Drivers must remain near their trucks at the time of contest. Any truck and driver not in line and ready to compete when called will be disqualified. No refunds will be made.
- **NO RIDERS** or passengers are permitted including on the track and in the pit and staging areas.
- There is **NO test hook**. If sled is reset all pullers that have previously hooked have the option to return and rehook immediately or drop to last. A floating finish line may be used at discretion of the Competition Director.
- Driver may **NOT** leave the seat of a running truck unless directed by an official.
- Any pull-off will be made at the end of the class or later in the show if necessary. During the pull-off, the chain may be lengthened at the option of the competition director.
- Decision of the Track Official is final.
