

DEPARTMENT 10 4-H AND VOCATIONAL

Extension Office (724-438-0111)

RULES AND REGULATIONS:

1. **ELIGIBILITY:** 4-H Club members must have passed their eighth birthday, but not have passed their nineteenth birthday by January 1, 2026. Exhibitors must be 4-H members carrying a project in the field in which they wish to make entry and be under the supervision of The Pennsylvania State University Cooperative Extension Service by June 1 preceding the Fair.
2. 4-H Club members that show and/or sell animals will be required to complete Quality Animal Management requirements. The Cooperative Extension office will offer the program to youth exhibitors. 4-H Leaders should also complete the program.
3. Students enrolled in an accepted vocational school curriculum must be conducting a project in the class in which they wish to make an entry. Students enrolled in general home economics in a comprehensive high school are considered as qualifying. A member of the Pennsylvania Department of Education, Agriculture or Home Economics Staff or their designated representative shall approve all entries prior to the Fair.
4. All 4-H exhibitors **MUST BE MEMBERS OF FAYETTE COUNTY 4-H CLUBS.**
5. All 4-H and Livestock members (beef, goat, sheep, swine, dairy, and horse) are required to have 4-H Accident Insurance to exhibit their animals at the Fair.
6. All Exhibitors must comply with the General Rules and Health Regulations for Livestock.
7. Exhibitor will be paid only two (2) premiums per class.
8. Unethical or abusive activities are not allowed and will result in disqualification of the exhibitor from the show at sole decision of Fair Management.
9. The purpose of youth project is to learn by doing via hands-on educational experiences. Youth, who rely on professional fitters to perform activities in preparing their animals for show, fail to gain these experiences. The Fair Management expects all youth to live up to the 4-H philosophies.
10. Youth exhibitors must comply with their club's guidelines in order to participate at the fair.
11. 4-H members must be present and have charge of their animals at the time of judging.
12. Health rules listed in Departments 1 through 9 apply to all 4-H livestock.
13. **SUBSTITUTIONS PERMITTED IN SAME CLASS ONLY!- MARKET CLASSES EXCLUDED**

SECTION 1

4-H HORSE AND PONY CLUB SHOWS

4-H HEADGEAR RULE:

Effective April 1, 1997 in 4-H sponsored shows/activities, all exhibitors 18 years of age or younger are required to wear protective headgear while riding or driving in designated schooling areas, the show ring, and while riding or driving anywhere on the competition grounds. This applies to all exhibitors 18 years of age or younger, including all 4-H exhibitors regardless of age.

The helmet harness must be secured and properly fitted. An exhibitor violating this rule at any time will be prohibited from further participation until such headgear is properly in place.

It is the responsibility of the exhibitor, the parent or guardian, and the trainer of the exhibitor to see the headgear is worn at the appropriate times, complies with the appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. It is recommended that the protective headgear meet or surpass current applicable ASTM standards with SEI certification. The show committee, show officials and volunteer leaders are not responsible for checking headgear worn for such compliance.

The Pennsylvania 4-H Horse Program Development Committee, Pennsylvania State 4-H Horse Show Committee, and the Pennsylvania State University make no representation or warranty, express or implied, regarding any protective headgear, and caution exhibitors and their respective parents or guardians that death or serious injury may result despite wearing such headgear, as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

PA 4-H Horse & Pony Rules:

All horses and ponies entered in 4-H horse shows must be vaccinated against rabies at least one month, but not more than 12 months, before the opening date of the fair (re-vaccination is required each year). Exhibitors can present a statement signed and dated by an accredited veterinarian stating that the animal was vaccinated. Proof of vaccination may appear on the Certificate of Veterinary Inspection.

4-H AND VOCATIONAL HOME AND DAIRY PRODUCTS FOODS AND NUTRITION

Judging: Tuesday, August 4, 2026 - 9:00 AM

Judge: Marsha Regula - Brownfield, PA

RULES AND REGULATIONS:

ENTRIES ACCEPTED: Monday, August 3, 2026 - 8:00 AM to 5:00 PM

1. Each item must be made by a 4-H member enrolled in a Food Project within the current year.
2. Bring completed baked goods to the fair as outlined in each class, unless specified otherwise. Items should be on a disposable plate in a plastic bag or covered with plastic wrap.
3. After judging only a portion of the project will be displayed, the rest will be made available for tasting. Exception: canning is not opened during judging.
4. No premade mixes- everything must be made from scratch.
5. Any ingredients must be able to be purchased by the 4-Her. Alcohol may not be used in any recipes file or food exhibit.
6. Exhibits are on display for several days. Please think about food safety. Items that require refrigeration will not be accepted as exhibits must be safe to eat when judged. Sugar based toppings are safe due to their high sugar content, egg glazes applied before baking and eggs incorporated into baked goods and crusts are considered safe. The following ingredients are considered unsafe for exhibit and will be disqualified: Egg or cream fillings, cream cheese frosting, any meat items, melted cheese on top of exhibit (cheese can be mixed into foods before baking), uncooked fruit toppings (fresh fruit tarts, etc...)
7. For food preservation all current USDA guidelines should be followed. Improperly processed or potentially hazardous items will be disqualified. Use canning jars with a 2 piece ring and seal. Leave rings in place for judging as it helps protect the seal.
8. Cake, cupcakes, and/or cookies shall be presented in an attractive manner. The board should be clean and free from soil, crumbs, excess frosting, and decorations. The cake board should be a firm, disposable surface, with a clean border from the edge of the cake. The board should be covered in greaseproof paper or foil (turn shiny side of the aluminum foil down to enhance the design of the cake). The covering for the cake board must be food safe. The thickness of the cake board should be in keeping with the weight of the cake. It should be strong enough, so it doesn't "give" when the cake is lifted, allowing icing to crack.

9. Please turn in copies of your recipes when you enter. They can be placed in a folder with your name and exhibitor number.
10. Exhibits should portray base requirements as outlined in specific 4-H projects. (I.D. Card, Poster, Project Book) Posters must be 11" x 14" either vertically or horizontally and will be judged on the basis of visual impact, creativity, neatness, accuracy, and appropriateness of information.
