

FAYETTE COUNTY FAIR

DEPARTMENT 8:

Exhibition Birds & Eggs

Judging: Tuesday, August 4, 2026 at 9:00am

Judge: Jay Yobst – Butler, PA

Steve Stanish, Co-Superintendent, Lemont Furnace, PA; Phone: 724-439-2131

Liesa Stiller, Co-Superintendent, Youngstown, OH; Phone: 724-317-8288

Ed Stanish, Jr., Co-Superintendent, Uniontown, PA 15401

2026 Health Regulations

******All exhibitors, at the time of animal check-in, must provide the Fair Office with a copy of their animals' health records. The health records will be kept by the Fair Office and will not be returned to the exhibitor.******

Definitions:

Direct Movement to Slaughter. Transported to a facility for slaughter, without stops or unloading except for feeding and watering, during which the animals are not commingled with any other animals unless all are destined for slaughter.

Exhibition. A show or display of animals.

Hatchling. Newly hatched poultry and non-poultry (chicks, poults, ducklings, goslings, keets, etc.).

HPAI. The term “HPAI” stands for and shall mean any strain of Highly Pathogenic Avian Influenza.

Market Birds. Birds destined for slaughter and moved directly from the exhibition facility to a Department or USDA licensed slaughter establishment.

Non-Poultry. Birds that are kept in a single household, the products of which are used within the same household exclusively, are not considered poultry, provided that they have no direct or indirect contact with poultry or poultry facilities. Birds that are kept in captivity for other reasons, including those that are kept for shows, racing, exhibitions, zoological collections, and competitions, and for breeding or selling for these purposes, as well as pet birds, are not considered poultry, provided that they have no direct or indirect contact with poultry or poultry facilities.

Poultry. All birds reared or kept in captivity for the production of any commercial animal products or for breeding for this purpose, fighting cocks used for any purpose, and all birds used for restocking supplies of game or for breeding for this purpose, until they are released from captivity.

Venue or Fair. Any Fair, show, exhibition, or other such venue within the Commonwealth of Pennsylvania which is sponsored by or receives funding from the Pennsylvania Department of Agriculture or receives funding pursuant to the Pennsylvania Agricultural Fair Act (act of July 8, 1986, P.L. 437, No. 92)(3 P.S. §§ 1501- 1510).

I. Requirements:

1. *Exhibition of Market Birds.* Market birds may be exhibited only if the following criteria are met.
 - (a) *Identification of Market Birds.* All market birds entering an exhibition shall bear an official Department-issued leg band, except for ratites, which shall be identified with a neck band or an electronic implant device (the exhibitor shall supply a reader).
 - (b) *Movement of Market Birds.* The following requirements shall apply to all market birds after being exhibited at a Department sponsored or funded exhibition.
 - (i) Market birds shall move directly to a Department or USDA licensed slaughter facility immediately following the judging at the animal exhibition.
 - (ii) Market birds shall not be diverted to premises other than a licensed slaughter facility.
 - (iii) Market birds shall not be returned to the premises of origin, to any other premises or establishment, held for any additional period of time at the Venue or Fair, or held over at any other premises or establishment.
 - (iv) It shall be the responsibility of the Venue or Fair management to ensure market birds are moved directly to a slaughter facility.
 - (c) *Time Allowed at Venue or Fair for Market Birds.* Arrival, exhibition, and departure of market birds moving to slaughter shall occur within a 72-hour window. The 72 hours begins when the first market birds arrive on the Venue or Fair grounds, whether unloaded or not, and ends when the last market birds physically leave the Venue or Fair in a vehicle or conveyance.
 - (d) *Health Certification.* All market birds for exhibition or display shall be accompanied by an Owner Endorsed Avian Health Certificate and Biosecurity Statement which will be provided by the Department. If a CVI is provided for entry, endorsement of biosecurity on the Owner Endorsed Avian Health Certificate and Biosecurity Statement shall also be provided.
 - (e) *Testing.* All market birds for exhibition shall meet the testing requirements set forth in section 9. (relating to avian influenza testing and verification).
 - (f) Venue or Fair management shall maintain records as set forth in section 11 (relating to records). Additionally, Venue or Fair management shall maintain records of movement and the destination of market birds to a Department or USDA FSIS licensed slaughter facility for one year and shall make those records available to the Department upon request.
2. *Exhibition of Non-poultry.* Non-poultry shall be exhibited only if the following criteria are met.
 - (a) *Identification of Non-poultry.* All non-poultry entering an exhibition shall bear an official Department-issued leg band, except for ratites, which shall be identified with an official wing band or an electronic implant device (the exhibitor shall supply a reader).
 - (b) *Health Certification.* All non-poultry for exhibition or display shall be accompanied by an Owner Endorsed Avian Health Certificate and Biosecurity Statement which will be provided by the Department. If a CVI is provided for entry, endorsement of biosecurity on the Owner Endorsed Avian Health Certificate and Biosecurity Statement shall also be provided.
 - (c) *Testing.* All non-poultry for exhibition shall meet the testing requirements set forth in section 9. (relating to avian influenza testing and verification) and section 10. (relating to pullorumtyphoid testing and verification).
 - (d) Venue or Fair management shall maintain records as set forth in section 11. (relating to records).
3. *Display of Hatchlings.* Hatchlings shall be displayed only if the following criteria are met.
 - (a) Hatchlings must be for an educational display.

- (b) Hatchlings for an educational display at the Venue or Fair shall be from a single source and may be from either a poultry or non-poultry source.
- (c) *Health Certification.* All hatchlings for an educational display shall be accompanied by an Owner Endorsed Avian Health Certificate and Biosecurity Statement which will be provided by the Department. If a CVI is provided for entry, endorsement of biosecurity on the Owner Endorsed Avian Health Certificate and Biosecurity Statement shall also be provided.
- (d) *Testing.* All hatchlings for an educational display shall meet the testing requirements set forth in section 9. (relating to avian influenza testing and verification) and section 10. (relating to pullorum-typhoid testing and verification).
- (e) Following display, Venue or Fair management and owner or person displaying the hatchlings shall ensure hatchlings are moved only to a premises which does not contain poultry. After these birds reach 21 days of age, they may be moved directly to slaughter or to a premises with poultry after the flock meets the testing requirements set forth in section 9. (relating to avian influenza testing and verification).
- (f) Venue or Fair management shall maintain records as set forth in section 11. (relating to records). Additionally, Venue or Fair management shall maintain records of movement and the destination of hatchlings after display for one year and shall make those records available to the Department upon request.

4. *Exhibition of Unfertilized and Fertilized Eggs Sourced from Poultry and Non-poultry Flocks.*

Unfertilized and fertilized eggs sourced from poultry and non-poultry flocks shall be exhibited only if the following criteria are met.

- (a) All unfertilized and fertilized eggs sourced from poultry and non-poultry flocks shall be washed and sanitized in a 100-200 ppm chlorine solution, or other disinfectant approved by the Environmental Protection Agency for use on poultry eggs, which is effective in destroying influenza virus. The eggs shall then be dried before being placed in a carton or other container as required under section (b) below.
- (b) Unfertilized and fertilized eggs sourced from poultry and non-poultry flocks shall be packaged in a new single-use cardboard or foam carton, or in a plastic carton which has been cleaned, disinfected, and dried prior to shipment to the Venue or Fair.
- (c) Once the eggs have been washed and sanitized as required in section (a) above, the eggs shall not come into contact with any other unwashed and unsanitized avian eggs, other avian products, poultry, or non-poultry.
- (d) Unfertilized and fertilized eggs sourced from poultry and non-poultry flocks for exhibition shall be accompanied by an Owner Endorsed Avian Health Certificate and Biosecurity Statement which will be provided by the Department. If a CVI is provided for entry, endorsement of biosecurity on the Owner Endorsed Avian Health Certificate and Biosecurity Statement shall also be provided.
- (e) Unfertilized and fertilized eggs shall originate from a poultry or non-poultry flock which has had a negative or not-detected avian influenza test meeting the requirements set forth in section 9. (relating to avian influenza testing and verification) within the 14 days prior to entry onto the Venue or Fair grounds.
- (f) Fertilized eggs shall originate from a poultry or non-poultry flock which meets the salmonella pullorum-typhoid test requirements set forth in section 10. (relating to pullorum-typhoid testing and verification). (Unfertilized eggs are exempt from this requirement).
- (g) Venue or Fair management shall maintain records as set forth in section 11. (relating to records).

5. *Exhibition of Ornamental Feathers.* Ornamental feathers shall be exhibited only if the following criteria are met.

- (a) Ornamental feathers shall be sourced from poultry or non-poultry flocks located in the United States.
- (b) Ornamental feathers shall be accompanied by an Owner Endorsed Avian Health Certificate and Biosecurity Statement which will be provided by the Department. If a CVI is provided for entry, endorsement of biosecurity on the Owner Endorsed Avian Health Certificate and Biosecurity Statement shall also be provided.
- (c) Ornamental feathers that will be displayed, exhibited, entered into a competition, or that are or will be used to produce jewelry or other items that will be exhibited, or sold, or both, shall be free of visible manure, litter, or other debris.
- (d) Transport containers shall have been cleaned and disinfected prior to being used to transport ornamental feathers to the Venue or Fair.
- (e) Ornamental feathers which will be displayed, exhibited, entered into a competition, or that are or will be used to produce jewelry or other items that will be exhibited, or sold, or both, shall originate from a poultry or non-poultry flock that is not known to be infected with avian influenza. This requirement shall be met by using one of the following methods in (5)(i) or (5)(ii):
 - (i) The ornamental feathers shall originate from a poultry or non-poultry flock which has had a negative or not-detected Avian Influenza test meeting the requirements set forth in section 9. (relating to avian influenza testing and verification) within the 14 days prior to entry onto the Venue or Fair grounds to be displayed, exhibited, entered into a competition, sold, or made into jewelry for exhibit or sale at a Venue or Fair, or
 - (ii) The ornamental feathers shall be clean, and held in a clean area separate from birds and other avian products for at least 120 days, at a minimum of 68 degrees Fahrenheit before entry onto the grounds of the Venue or Fair.
 - (iii) Records of the avian influenza testing required by subsection (5)(i); or where the ornamental feathers are cleaned and held in a clean area as allowed under subsection (5)(ii), that include the date the ornamental feathers were moved to a holding area, along with the holding temperature, shall be kept by the person seeking to display, exhibit, sell, or enter the ornamental feathers into a competition, or to make jewelry from the ornamental feathers for display, exhibition, competition, or sale. Those records shall be included with the Owner Endorsed Avian Health Certificate and Biosecurity Statement for entry onto the Venue or Fair grounds.
- (f) Venue or Fair management shall maintain records as set forth in section 11. (relating to records).

6. *Transportation of Market Birds, Non-Poultry, Hatchlings, Unfertilized and Fertilized Eggs, and Ornamental Feathers.* Transportation of market birds, non-poultry, hatchlings, unfertilized and fertilized eggs, and ornamental feathers to the Venue or Fair and to the Department or USDA licensed slaughter plant, farm, or other destination, as allowed and required under the 2025 Avian Exhibition General Quarantine Order, shall be done in a biosecure manner. All vehicles, conveyances, crates, equipment, or other materials used in transport shall be visibly clean and shall be cleaned and disinfected as necessary to maintain them in a sanitary manner and assure compliance with regulatory standards at 7 Pa.Code § 15.46 (related to shipping containers) and the standards established in the Department's "Interstate and General Quarantine Order; Virus Control for Highly Pathogenic Avian Influenza Vehicle, Container and Material Standards" (45 Pa.B. 4930, Saturday, August 22, 2015) or subsequent order.

7. *Health Monitoring.* All market birds, non-poultry, and hatchlings on the Venue or Fair grounds shall be monitored for signs dangerous transmissible diseases and any signs of dangerous transmissible diseases shall be reported to the Department immediately (717-772-2852).

8. *Public Access Restrictions.* All market birds, non-poultry, and hatchlings on the Venue or Fair grounds shall be displayed behind barriers such as ropes to prevent public access, with signage to prevent the public from crossing the barrier.
9. *Avian Influenza Testing and Verification.*
 - (a) All samples for avian influenza testing shall be collected by a certified poultry technician, a category II accredited veterinarian, or a state or federal official and shall be tested in a National Animal Health Laboratory Network (NAHLN) laboratory.
 - (b) Market birds, non-poultry, hatchlings, unfertilized and fertilized eggs, and ornamental feathers meeting the avian influenza testing requirements set forth in this section shall originate from a flock in which a random, representative sample of a minimum of 30 birds, three (3) weeks of age or older, were tested for avian influenza within the 14 days prior to the date of entry onto the Venue or Fair grounds.
 - (c) If there are fewer than 30 birds in the flock, all birds of age in that flock shall be tested.
 - (a) Untested birds or birds with a non-negative test result for avian influenza shall not be comingled with or added to the tested flock after negative or not-detected samples have been collected and may not be comingled with or added to the birds that are shipped to the Venue or Fair.
 - (b) For waterfowl, cloacal swab samples shall be collected for virus detection testing. Swabs from geese and ducks shall not be combined in the same tube for testing.
 - (c) For chickens, turkeys, game birds, and ratites, blood samples for Agar Gel Immunodiffusion (AGID) testing or tracheal or oropharyngeal swab samples for virus detection testing are acceptable samples. Samples from more than one species shall not be combined in the same tube for testing.
 - (d) Market birds, non-poultry, hatchlings, unfertilized and fertilized eggs, and ornamental feathers shall be accompanied by a copy of the most recent test report in addition to the required health certification documentation. Test results shall be negative or not detected.
10. *Pullorum-Typhoid Testing and Verification.*
 - (a) All samples for pullorum-typhoid testing shall be collected by a certified poultry technician, a category II accredited veterinarian, or a state or federal official.
 - (b) Non-poultry, hatchlings, and fertilized eggs shall meet the salmonella pullorum-typhoid testing requirements set forth under one of the following options. Waterfowl and fertilized waterfowl eggs from Pennsylvania are exempt from the pullorum-typhoid testing requirements. Waterfowl and waterfowl eggs originating outside of Pennsylvania must meet the requirements below.
 - i. Originate from a flock in good standing on the National Poultry Improvement Plan (NPIP) Pullorum-typhoid Clean Program, with no break in the chain of ownership by NPIP participants. The NPIP number of the flock shall be noted on the laboratory test report, or official NPIP 9-2 form if the rapid whole blood plate test was performed, or
 - ii. Originate from a flock in good standing on the Pennsylvania Pullorum Equivalent Program and be accompanied by proof of participation from the Department, or
 - iii. Individual birds for exhibition (maximum of 300 from the flock) were tested negative for salmonella pullorum-typhoid within the 90 days prior to entry onto the Venue or Fair grounds.
 - iv. Individual birds for exhibition not meeting the age restrictions, set forth in subsection 10.(d) below at the time of exhibition shall originate from a flock which meets the testing requirements set forth in 10.(a)(i) and (b)(ii) above, or shall originate from a flock in which 300 birds of age (or the entire flock if less than 300 birds in the flock) were tested negative for salmonella pullorum-typhoid within 90 days of the date of entry onto the Venue or Fair grounds.

- (c) Non-poultry, hatchlings, and fertilized eggs shall be accompanied by a copy of the most recent test report. If the rapid whole blood plate test was performed for birds not participating in NPIP, a copy of the state equivalent testing form Flock Testing Report for Rapid Whole Blood Agglutination Plate Test shall accompany the birds. Test results shall be negative. The rapid whole blood test is not approved for use in turkeys.
- (d) The following age restrictions apply for salmonella pullorum-typhoid testing:
- (i) Chickens shall be tested at 4 months of age or older.
 - (ii) Turkeys shall be tested at 12 weeks of age or older.
 - (iii) Game birds shall be tested at 4 months of age or older, or upon sexual maturity, whichever comes first.
 - (iv) Ratites shall be tested at 12 months of age or older.
- (e) National Animal Health Laboratory Network (NAHLN) protocols for sample collection and testing shall be followed. All samples, excluding those tested with the rapid plate test for salmonella pullorum-typhoid, shall be tested at a NAHLN laboratory.

Out of State Poultry, Unfertilized Eggs, and Ornamental Feathers: Please contact the Fair Office or the PA Department of Agriculture for additional health rules.

DEPARTMENT 8 SECTION 8: EGGS

*** Enter Eggs on Sunday, August 2, 2026, from 8:00 AM – 6:00 PM in the Poultry Building***
JUDGING: Tuesday, August 4, 2026, in conjunction with judging non-poultry and pigeons

EGGS:

To exhibit eggs, exhibitors shall meet the requirements set forth in section 7 of the PA Dept. of Agriculture 2026 Animal Health Regulations as it relates to the exhibition of eggs, including being accompanied by an Owner Endorsed Avian Health Certificate and Biosecurity Statement. Further the flock shall meet the avian influenza testing requirement, set forth in the Animal Health Regulations, including the flock from which the eggs originate shall have had a negative or not-detected avian influenza test within 14 days prior to exhibition.

Class	Description	Award/ Premium	1 st	2 nd	3 rd	4 th
1	1 dozen brown eggs – large (24-26)		\$3	\$2.50	\$2	\$1
2	1 dozen brown eggs – medium (21-23)		\$3	\$2.50	\$2	\$1
3	1 dozen white eggs – large (24-26)		\$3	\$2.50	\$2	\$1
4	1 dozen white eggs – medium (21-23)		\$3	\$2.50	\$2	\$1

DEPARTMENT 8: NON-POULTRY

SECTIONS 1 - 7

NON- POULTRY:

1. Refer to General Rules and Health Regulations.
2. Only birds that meet the Pennsylvania Department of Agriculture's definition of non-poultry are permitted to be exhibited. Non-poultry are birds that are kept in a single household, the products of which are used within the same household exclusively, are not considered poultry, provided that they have no direct or indirect contact with poultry or poultry facilities. Birds that are kept in captivity for other reasons, including those that are kept for shows, racing, exhibitions, zoological collections, and competitions, and for breeding or selling for these purposes, as well as pet birds, are not considered poultry, provided that they have no direct or indirect contact with poultry or poultry facilities.
3. All non-poultry must be free of infectious and contagious diseases
4. An Owner Endorsed Avian Health Certificate and Biosecurity Statement and a Certification of Veterinary Inspection (CVI) valid within 30 days prior to the opening date of the exhibition shall accompany the poultry.
5. All non-poultry for exhibition shall meet the testing requirements set forth in section 7 of the PA Dept. of Agriculture 2026 Animal Health Regulations.
6. All non-poultry exhibitors must have a PA Dept. of Agriculture (PDA) Premise ID before their flocks can be tested for Avian Influenza and Pullorum. A Premise ID can be obtained for free via the PDA website.
7. Avian Influenza testing must be done 14 days prior to the date of entry on the fairgrounds. Test samples must be collected by a certified poultry technician or category II accredited veterinarian or a state or federal official and shall be tested at a National Animal Health Laboratory Network Lab.
8. All non-poultry must meet the health and testing requirements of the PA Dept. of Agriculture, Bureau of Animal Health and Diagnostic Services.
9. All entries must bear an official PDA-issued leg band.
10. Exhibitors must provide copies of all blood work papers to either the superintendent or the appointed inspector, along with a copy of the Owner Endorsed Avian Health Certificate and Biosecurity Statement and a Certification of Veterinary Inspection (CVI).
11. All birds must be behind barriers with signage to prevent public interaction.

PIGEONS:

1. All pigeons must bear a unique individual identification leg band but do not have to be identified with an official PDA leg band.
2. An Owner-endorsed Poultry Health Certificate and a Certificate of Veterinary Inspection (CVI) valid 30 days after the date of issuance shall accompany all pigeons.
3. All pigeons must be free of evidence of infectious and contagious diseases. A statement of this is required to be included on the CIV.

RULES and REGULATIONS:

ENTRY DEADLINE: Friday, July 17, 2026, or until coop capacity is reached.

ENTRY FEE: \$1.00 per bird

ARRIVAL TIME: Saturday, August 1, 2026, and Sunday, August 2, 2026, from 8:00 am to 6:00 pm

RELEASE TIME: Saturday, August 8, 2026, at 11:30 pm

1. Entries will be received until such time as the cooping capacity is reached.
2. Efforts will be made to coop singly. We reserve the right to place more than one bird of the same variety in one coop, if owned by the same exhibitor.
3. The “American Standard of Perfection” of the American Poultry Association and the “Bantam Standard” of the American Bantam Association will govern judging.
4. Birds will be fed, watered, and cared for by competent volunteers. It is suggested owners check birds daily.
5. A judge **shall not** officiate in a class where he has an entry.
6. Collusion between a judge and exhibitor will exclude all entries of the offending exhibitor from competition and awards. Exhibitor’s protest relative to such exclusion must be in writing.
7. No specimen is to be handled by anyone except the owner, the judges, or member of the fair management unless the owner grants permission.
8. During the continuance of the show, all birds will be examined carefully each day. Birds showing signs of disease will be segregated and properly cared for or returned to the owner at his expense.
9. A bird may compete for one prize, except as provided for special awards. Premiums will be awarded only on birds exhibited in their proper classes and indicated by judges’ records.
10. **EXHIBITOR WILL BE PAID ONLY 2 PREMIUMS PER CLASS!**
11. **NO SUBSTITUTIONS WILL BE PERMITTED UNLESS OF THE SAME BREED, VARIETY, AND SEX**
